Subject: Eligibility Acknowledgement (NOT initiation approval)
IMPORTANT NOTE!!! This is **NOT** initiation approval!

To the President of Kansas Gamma Chapter
Date February 10, 2014

**** Report of Eligibility received.**

**** Undergraduate candidates(s) are eligible.**

Comments Just a reminder that the report of election and catalog cards **MUST** be **SUBMITTED** to Headquarters two weeks **BEFORE** your initiation. If you want to receive keys and certificates in time for initiation, the time span is 3-4 weeks.

If the chapter's considering graduate students or alumni, the paper eligibility form along with the required documentation **MUST** be **RECEIVED** at Headquarters two weeks **BEFORE** the chapter **VOTES** on the candidates. The items may be emailed to Rebecca@tbp.org or faxed to 865/546-4579.

Let me know if you have questions. Rebecca

———— **IMPORTANT NOTE** ————
THIS IS *****NOT***** APPROVAL TO HOLD YOUR INITIATION!
YOU MUST SUBMIT YOUR REPORT OF ELECTION FIRST
———— **IMPORTANT NOTE** ————

**(All elections under Sections 4, 5, & 6 shall comply with the applicable provisions of Sec. 7.)*

This letter is a judgment of the technical eligibility of these candidates for election to membership. Approval of their initiation will be given as soon as your Report of Election and Catalog Cards have been received.

Please be sure to enter, on the Report of Election, the proper action taken by your chapter on every eligible candidate, in accord with instructions on the report.

If you requested electees' materials, including Constitution and Bylaws booklets, etc., and/or Bent castings on the Report of Eligibility, they will be shipped shortly. If you will need motto slips for your initiates, please let me know when you send your Report of Election; you probably have a supply in your initiation kit.

Approved by: Curtis D. Gomulinski, Secretary-Treasurer

TBP will never send an attachment in an unsolicited email. If this email contains an attachment, do not open the attachment, and delete the email.

**** These 11 electee(s) are approved for initiation on 04/10/2014.**

NOTE: You may initiate postponed electees if and only if they are eligible for membership at the time of their initiation unless your Advisory Board approved and documented the postponements.

Keys will be sent when the Final Action is processed unless the chapter tells me to order them now.
Rebecca

**** Certificates have been ordered for delivery as soon as possible.**

If you have questions or problems, please call Rebecca Davis or Roger Hawks at TBP headquarters.

Approved by: Curtis D. Gomulinski, Secretary-Treasurer

Please be sure to account for all electees, including alumni and any from your postponed initiations list, on your report of final action! The report of final action should be sent

immediately after your initiation, with a photocopy of your roll book signatures. Also, document any approved postponements.

TBP will never send an attachment in an unsolicited email. If this email contains an attachment, do not open the attachment, and delete the email.

**THE TAU BETA PI ASSOCIATION
POSTPONED AND FINANCIAL REFUSAL ELECTEES**

Kansas Gamma

Spring 2014

The persons listed below were elected by your chapter during past initiation seasons as noted. They have refused membership for financial reasons (Constitution Article VIII, Section 10) or have simply missed attending a formal initiation. Unless their election is to be cancelled, at the option of your chapter, the following three options apply:

- A) Persons whose names appear on this list and who remain eligible for membership may be initiated at the next regular initiation without re-election. Such electees who graduate may be initiated without re-election within five years from the date of election.
- B) Persons listed who become academically ineligible **and** whose postponements have been **approved and documented** by the Advisory Board may be initiated at the next regular initiation.
- C) Persons listed who become ineligible and whose postponements the Advisory Board, has not approved, **must** become eligible again and be re-elected during a subsequent term in order to be initiated.

If it is inconvenient for them to return to your chapter for initiation, arrangements can be made through the National Headquarters for their initiation by chapters near their homes.

Please indicate the action to be taken on each electee listed: i.e., **to be initiated on** _____ **(date); election cancelled by the chapter; continue financial refusal or postponed status; etc.**

RETURN THIS SHEET WITH YOUR REPORT OF ELECTION

The Report of Final Action and photocopy of the Roll Book signatures for your 04/10/2014 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

11 C-VIII, Sec. 2 Undergraduate
0 C-VIII, Sec. 3 Graduate Student
0 C-VIII, Sec. 4 Alumni This Chapter
0 C-VIII, Sec. 5 Alumni Other Chapter
0 C-VIII, Sec. 6 Eminent Engineer
11 TOTAL NUMBER OF NEW MEMBERS

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with national fees and Convention assessments for this total number of new members. The fees and assessments are due within ten days after initiation.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

Done.

The Constitution & Bylaws states that each chapter is to have four advisors. You'll need to elect someone to replace him. Unless it is against school policy, advisors may be alumni or graduate students.

Subject: Re: Kansas Gamma Alumni

Rebecca,

We are putting together a page about all of our events for the semester that we would like to share with our current students, faculty, and as many alumni as we can reach. Unfortunately we don't really have the funds available for mailing all of these, so for at least the first couple issues we were thinking electronic versions. This is where we need help. We only have email addresses for a handful of previous officers and no one else. Any email addresses you have for Kansas Gamma Alumni would be greatly appreciated. Names of other members would be helpful also because Kansas State currently does not keep track of its graduating alumni from our organization. Our only record is our signature books which are less than easy to decipher in some cases. While we are working on this, names could help us work with our alumni center to reach out to our groups alums. If you have any additional questions I would be happy to answer them. I appreciate your time!

Emily,

You're correct on the email addresses. We probably don't have them for most of the older members. I need to know a little more details on what you want. Do you want mailing addresses? You're the first chapter who's requested email addresses for alumni.

I'm copying Tricia Gomulinski on this. She's the Director of Alumni Affairs.

Subject: RE: KS G New Chief Advisor

Jacob,

There is a paper eligibility form that is available at www.tbp.org. Click for officers, reports, and then paper reports. The top blue box on the right hand side has several bullets. The third main bullet says graduate students, alumni, and then form. Click on form.

We will need her resume. 5-10 pages is fine. I don't need to know every book she's written, every graduate student she's had, etc. If she's married, I'll need to know her maiden name.

The information on the form MUST be filled out completely. Since Dr. Phillippi has been an advisor the longest of the advisors on your advisory board, please have him sign the form where the chief advisor should sign.

Dr. Dringenberg CANNOT perform as the chief advisor until she's initiated.

Rebecca

Subject: KS G New Chief Advisor

Hello Rebecca,

Our new Chief Advisor has been selected by the university. Her name is Dr. Emily Dringenberg. She does not appear to be a Tau Beta Pi member, so would you mind walking me through the process of getting her added?

Thank you,
Jacob Lengquist

Subject: RE: KS G Contact Information Update submitted to HQ

I checked our records and your Dean of Engineering, Darren Dawson, isn't a member of Tau Beta Pi. If his degrees are in engineering or he has been in the field of engineering for at least 15 years, you might want to consider him as an eminent engineer in the spring.

Rebecca

To: Jacob Lengquist
President of Kansas Gamma Chapter
From: Tau Beta Pi Headquarters
Date: January 15, 2016
Subject: FINAL ACTION ACKNOWLEDGEMENT

The Report of Final Action and photocopy of the Roll Book signatures for your 12/03/2015 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

23 C-VIII, Sec. 2 Undergraduate
0 C-VIII, Sec. 3 Graduate Student
0 C-VIII, Sec. 4 Alumni This Chapter
0 C-VIII, Sec. 5 Alumni Other Chapter
0 C-VIII, Sec. 6 Eminent Engineer
23 TOTAL NUMBER OF NEW MEMBERS

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with national fees and Convention assessments for this total number of new members. The fees and assessments are due within ten days after initiation.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

NOTE: I need to know where to have the keys shipped since Dr. Satzler passed away shortly after your initiation. Thanks, Rebecca

Approved by: Curtis D. Gomulinski, Secretary-Treasurer

EDUCATION

Purdue University, West Lafayette, IN

June 2015

Ph.D. Engineering Education

Dissertation Committee: Dr. Şenay Purzer (chair), Drs. Robin Adams, Monica Cardella & Ruth Streveler

Dissertation Title: A Phenomenographic Analysis of First-Year Engineering Students' Experiences with Problems Involving Multiple Possible Solutions

Purdue University, West Lafayette, IN

May 2014

M.S. Industrial Engineering

Kansas State University, Manhattan, KS

December 2008

B.S. Mechanical Engineering Not on

HONORS/CERTIFICATION

- NSF Graduate Research Fellowship Program Recipient Spring 2012
- AmeriCorps Academic Award, Teach For America Service Completion Spring 2011
- "Outstanding Senior," selected by KSU Mechanical Engineering Faculty Fall 2008
- Teach for America Fellow, top 10% of 35,000 applicants nationwide Fall 2009
- FE (Fundamentals of Engineering) Certification Fall 2008
- MNE Foundation Scholar Award, Dow Chemical Fall 2006

TEACHING EXPERIENCE

General Engineering, First-Year Experience

Fall 2015-Current

- Instructor, Kansas State University
 - Developed and implemented new course, Engineering Problem Solving, for undeclared first-year engineering students
 - Co-taught DEN 160, Engineering Orientation
 - Advised over 60 first-year students in engineering
 - Collaborated with Academic Success Center staff to develop ways to support all engineering students

Undergraduate & Graduate Student Teaching

- Faculty Apprentice, Purdue University Mentored by Dr. Ruth Streveler Spring 2015
 - Collaborated with tenured faculty in design and implementation of course for graduate students considering difficult concepts in science and engineering
 - Facilitated class discussions and contribute to construction of knowledge
 - Designed guided questions for common reading assignments
- Teaching Assistant, Purdue University Fall 2011
 - Led all logistical arrangements for Women in Engineering Seminar speakers
 - Facilitated networking lunches between guest speakers and 8-10 students weekly
 - Mentored over 200 first-year women engineering students

Mathematics and Engineering Teacher

2009-2011

- Grady High School, Atlanta Public Schools, Atlanta, GA

- Launched and led Project Lead the Way Engineering curriculum for the first time at my school
- Developed standards-based lesson plans for a new math curriculum
- Maintained complete responsibility of over 180 students simultaneously
- Worked to address the gaps in urban students' understanding between math in the classroom and real world, engineering applications

Undergraduate Teaching Assistant (Peer Instructor)

Fall 2008, 2009

- Kansas State University Enhanced University Experience, Manhattan, KS
 - Developed and taught lesson plans for both new and review material in an earth science course
 - Conducted both lecture and recitation style classes 2-3 times a week
 - Maintained accurate student records and designated semester letter grades for each student

RESEARCH EXPERIENCE

Graduate Research Fellow, Purdue University

Fall 2012-Summer 2015

- Conducted quantitative, qualitative and mixed-methods research
- Independently investigated the experiences of first-year engineering students engaging with engineering design tasks
- Initiated and lead research on engineering education researchers' use of phenomenography
- Lead research to improve assessment of middle school engineering outreach
- Collaborated on project to develop K-12 science and engineering classroom observation protocol
- Served as co-investigator for ongoing qualitative, exploratory research about the experience of faculty at innovative engineering curriculum design workshop (Olin College, Needham, MA)

Argonne National Laboratory, Argonne, IL

Summer 2006, 2007

- Summer Intern Research Assistant, Mentored by Dr. Stephen Ciatti
 - Validated Computational Fluid Dynamics Code For External Aerodynamics of Tractor-Trailer Vehicles
 - Set up engine test cells and collected test data for engine performance, efficiency, and emissions
 - Wrote technical reports and for U.S. Department of Energy Journal of Undergraduate Research and Argonne Symposium for Undergraduates in Science, Engineering & Mathematics

PROFESSIONAL EXPERIENCE

Purdue University Women in Engineering Program

Fall 2011

- Director of K-5 Engineering outreach (Imagination, Innovation, Discovery, & Design)
 - Developed and modified outreach activities for introducing K-5 students to engineering concepts at afterschool programs impacting over 300 different children each semester
 - Hired, trained and supervised a team of over 30 undergraduate women in engineering
 - Communicated with 11 community after school programs in three different corporations in Indiana
 - Developed free show case events for community ages K-6 and their families to explore basic engineering concepts through hands-on activities
 - Working to expand impact of current program by facilitating additional outreach which has reached over 400 local K-6 students
- Director of FYI (7-8) and EDGE (9-10) grade summer camps
 - Solicited applications, interviewed, hired, and trained camp facilitators and chaperones
 - Created and coordinated hands-on activities to engage campers in engineering learning
 - Managed communication with campers, parents, camp staff and guest speakers/tour guides
 - Determined and implemented a master schedule for three week-long camps serving almost 100 students from across the country
 - Designed and analyzed evaluations from campers, parents and camp staff

Caterpillar Work Tools, Wamego, KS**July 2008-December 2008**

- Engineering Intern, Demolition and Industrial Design
 - Implemented engineering changes on current Cat products including shears, grapples, and hydraulic kits
 - Developed/verified specification sheets for hydromechanical shear tools
 - Participated in design process for grapple stiff link quick coupler
 - Developed working relationships with senior design engineers and additional team members

Resident Assistant**Fall 2005-Spring 2008**

- Kansas State University Housing and Dining, Manhattan, KS
 - Served as a mentor and resource for up to 100 residents concurrently
 - Enforced university policies and conducted periodic building safety checks
 - Built working relationships with my peer staff as well as my supervisors
 - Developed strong skills in areas such as crisis management, problem solving, organizational skills, communication strategies, and encouraging and valuing diversity

Subject: HELP
Importance: High

Matt,

I have a graduate of Purdue who wants to join Tau Beta Pi. She got her Master's Degree in December 2014. Her name is Emily Drinkenberg. Could you check to see if she graduated in the top 1/5? She told me that she had a 4.0 with both her Master's and PhD degrees. However, she wasn't on the top 1/5 list of the graduate students that I got for Spring 2015 which is when she received her PhD in Engineering management.

The chief advisor at KSU died this past December and the school wants to appoint her as the chapter's chief advisor.

Thanks in advance for your help.

Rebecca

EDUCATION

KANSAS STATE UNIVERSITY, Manhattan, KS
M.S. Electrical Engineering, May 2015
Cumulative GPA: 4.0/4.0

KANSAS STATE UNIVERSITY, Manhattan, KS
B.S. Electrical Engineering, 2005
Cumulative GPA: 3.4/4.0

ACADEMIC EMPLOYMENT

ACADEMIC ADVISOR, November 2010-present

Department of Electrical and Computer Engineering (ECE)
Kansas State University, Manhattan, KS

- Advise ~200 undergraduate students in the areas of academic progress, course selection, and career planning
- Monitor student progress using KSIS Advising Center, KSIS reporting tools, DARS, and the EAB SSC platform
- Assist students in finding solutions to various academic and personal issues through campus resources
- Identify course substitutions for students when necessary and facilitate appropriate documentation for accreditation purposes
- Evaluate domestic and international transfer courses and work with Engineering Student Services staff to update student records
- Advise freshman, transfer, and international students during all College of Engineering enrollment orientations
- Assist Study Abroad students with course planning and transfer of credits upon return to KSU
- Coordinate with College of Engineering Recruitment Office to meet with ~100 prospective ECE students and their parents annually; discuss degree programs, answer questions, and provide department tours
- Work with members of ECE Course and Curriculum Committee to create, update, and deploy academic policies, curriculum enhancements and changes, and retention practices
- Assist with College of Engineering reinstatement hearings as a member of the Academic Standards Committee
- Develop departmental recruitment and advertisement materials and deploy via electronic and print mediums
- Schedule department course offerings in KSIS each semester while working within the constraints of 20+ faculty members
- Work with industry-based alumni ECE Advisory Council to keep curriculum current and quality of graduates on par with industry demands
- Develop, maintain and update ECE website with pertinent academic information
- Design and lead laboratory sessions for high school summer engineering outreach program

INSTRUCTOR, January 2016-present

Department of Electrical and Computer Engineering
Kansas State University, Manhattan, KS

- Revise, develop, and implement new student project design course with a much greater emphasis on electrical and computer engineering
- Oversee and manage ten older-student mentors responsible for leading and assisting enrolled students

RESEARCH ASSISTANT, November 2010-present

Department of Electrical and Computer Engineering
Kansas State University, Manhattan, KS

- **Honeywell/KCP RADAR 2021—RF Design and Layout of High-Frequency Electronics in Advanced PC Board Technologies (10/2015-Present)**
 - Research viability of thin-film bypass capacitor technologies in high-performance and reliability implementations
 - Investigate techniques for increasing signal isolation on various microwave substrate materials
 - Collaborate with partner university to miniaturize existing radar using thin-film technologies and advanced substrate materials

- **Honeywell/KCP Thin Film Transmission Line Project (6/2012-5/2015)**
 - Design set of microwave/millimeter wave structures to characterize varying thin film metal formulations on DuPont 951 and 9K7 LTCC
 - Characterize S21 performance through 40GHz to investigate the effects of varying thin film formulations have on transmission line behavior
 - Author IEEE journal paper and present results at symposium hosted by sponsor
- **Honeywell/KCP Thin Film Capacitor Project (6/2012-5/2015)**
 - Characterize S11 performance of thin film metal-insulator-metal capacitors on 951 LTCC through 20GHz
 - Utilize ADS and-MATLAB to process measurement data to remove parasitic effects of measurement setup and extract capacitance vs. frequency, Q, and ESR characteristics
 - Author research paper and present results at symposium hosted by sponsor
- **NASA EPsCOR Intra-Suit Wireless Sensor Network Project (5/2012-12/2012)**
 - Lead detailed system-level design and detailed hardware design of ultra-low power 433 MHz wireless transceiver with interface for biological/physiological sensor attachment
 - Collaborate with on-campus electronics laboratory to complete PCB layout and board population
 - Assist undergraduate and graduate students in board bring-up and debug
- **UES Cryogenic Silicon-on-Sapphire (SOS) Project (12/2010-1/2012)**
 - Investigate cryogenic behavior of MOSFETs manufactured in the Peregrine SOS processes
 - Design and verify microwave diff-amp for use in cryogenic environment in ICFB suite
 - Characterize diff-amp performance in liquid nitrogen bath via VNA and spectrum analyzer

**NON-ACADEMIC
PROFESSIONAL
EMPLOYMENT**

DESIGN ENGINEER, December 2005-2010

Garmin International, Olathe, KS

- Co-designed, verified, and troubleshot all nūvifone designs with partnering engineering firm
- Led nūvi 3700 concept and nūvi 800 cost-down projects
- Experience with GPS/2.4GHz/GSM/WCDMA design, verification and troubleshooting
- Extensive schematic and PCB layout experience in analog, digital, and RF applications
- Designed, verified, and troubleshot analog, digital, and RF circuits
- Developed and implemented test plans to verify system functionality
- Prepared and released product layouts, detailed drawings and schematics
- Extensive experience with ETS-Lindgren AMS-8500 3D antenna measurement chamber
- Demonstrated cost-conscious habits through careful design and margin analysis
- Directed and coordinated the manufacturing of prototypes with Taiwan production sites
- Supported test and production engineers at Taiwan manufacturing sites
- Mentored less experienced engineers in areas such as design standards, cost analysis, design and debug techniques, and project management

———— **IMPORTANT NOTE** ————

THIS IS ***NOT*** APPROVAL TO HOLD YOUR INITIATION!
YOU MUST SUBMIT YOUR REPORT OF ELECTION FIRST

———— **IMPORTANT NOTE** ————

**(All elections under Sections 4, 5, & 6 shall comply with the applicable provisions of Sec. 7.)*

This letter is a judgment of the technical eligibility of these candidates for election to membership. Approval of their initiation will be given as soon as your Report of Election and Catalog Cards have been received.

Please be sure to enter, on the Report of Election, the proper action taken by your chapter on every eligible candidate, in accord with instructions on the report.

If you requested electees' materials, including Constitution and Bylaws booklets, etc., and/or Bent castings on the Report of Eligibility, they will be shipped shortly. If you will need motto slips for your initiates, please let me know when you send your Report of Election; you probably have a supply in your initiation kit.

Approved by: Curtis D. Gomulinski, Secretary-Treasurer

TBP will never send an attachment in an unsolicited email. If this email contains an attachment, do not open the attachment, and delete the email.

Subject: KS G Final Action Acknowledgement

To: Caroline Kabus
President of Kansas Gamma Chapter
From: Tau Beta Pi Headquarters
Date: July 11, 2016
Subject: FINAL ACTION ACKNOWLEDGEMENT

The Report of Final Action and photocopy of the Roll Book signatures for your 04/19/2016 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

44 C-VIII, Sec. 2 Undergraduate
0 C-VIII, Sec. 3 Graduate Student
1 C-VIII, Sec. 4 Alumni This Chapter
1 C-VIII, Sec. 5 Alumni Other Chapter
0 C-VIII, Sec. 6 Eminent Engineer
46 TOTAL NUMBER OF NEW MEMBERS

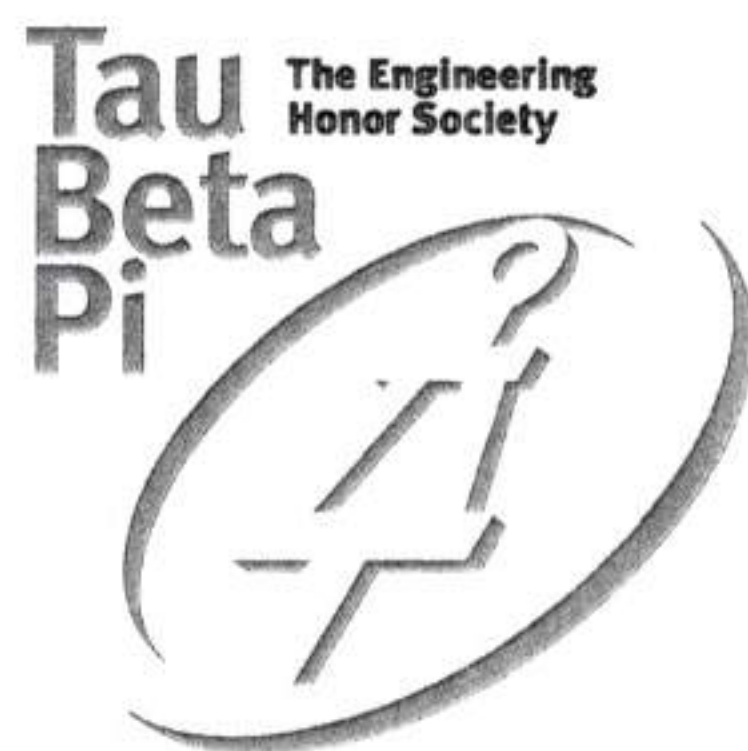

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with national fees and Convention assessments for this total number of new members. The fees and assessments are due within ten days after initiation.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

NOTE: Isaak Giefer and Angelica White were marked initiated on the Final Action. However, they didn't sign the roll book. If they were initiated, I need to know ASAP. Keys and certificates will be sent to Dr. Phillippi in 3-4 weeks. Check the keys carefully upon receipt. Our vendor has a 30 day return policy. If the previous officers aren't around, sign their names on the certificates. As a reminder, it's the chapter's responsibility to make sure that the initiates receive their keys and certificates. Let me know if you have questions. Rebecca

Sent: Wednesday, September 14, 2016 7:52:26 AM
To: Caroline Kabus
Subject: RE: Becoming a member as a Grad Student

Caroline,

You will need to have something from her primary advisor stating that she's completed 50% of her degree requirements and that she's in the top 1/5 of her class. Since we don't know what degrees require research and coursework, the primary advisor's statement MUST state that she's completed 50% of her degree requirements (not say coursework).

Go to www.tbp.org. Click for officers. Click reports. The top right hand blue box says online system. The third main bullet down says graduate students, alumni, etc. and then form. Click on form. If she and her primary advisor fill out that form and you and Dr. Dringenberger sign it, that's all I need. She must include when and where her undergraduate degree was received even if it wasn't stateside.

I've also attached a form she can have her primary advisor fill out instead of having her take the eligibility report to her primary advisor.

Please note that even if she's an international student, her undergraduate degree MUST be listed on the report form.

Let me know if you have more questions.

Subject: Fw: Becoming a member as a Grad Student

Rebecca,

I had a KSU graduate student contact me this week about Tau Beta Pi. She said:

Hello dear Caroline,

I would like to ask you how I could be nominated to become a member of Tau Beta Pi?

I am a graduate Computer Science student, I have GPA 4.0, and I have finished 50% of my Masters degree.

Thank you and I am looking forward to your reply!

Best regards,

*Oleksandra Sopova
Graduate Student
Computing and Information Sciences Department
Kansas State University
Fulbright Graduate Scholarship Grantee*

What is the protocol for inviting graduate students to join TBP? From the national requirements, graduate students can join if they are in the top 1/5th of their class, or if class rank can not be determined, they can obtain a letter of recommendation from your primary academic advisor. In either case, they must have completed at least 50% of your coursework including research.

From Oleksandra's personal account, she has met both of these requirements. If I verify her academic standing through the college can I extend an invitation to her? Also is there a way to check if she has completed 50% of her graduate coursework or is that more of a self reporting statistic? Should I ask for a letter from her primary advisor to verify?

Let me know, thanks!

Caroline-

When I joined based on my grad work at Purdue, I just went through Rebecca. She was able to get the eligibility list from someone at Purdue. I'm not sure how that works since I don't ask for an eligibility list for people here at K-State...would you be willing to give her a call/email and see what we need to do to correct this? Another option would be to ask Assistant Dean Fund...he joined based on his MS here at K-State...I believe Rebecca coordinated that as well with a form and not sure what else.

Thanks!

Dr. Dringenberg,

See the email below from Oleksandra. I think she meets all the criteria per Tau Beta Pi's national website. I'm assuming that she did not get invited because the original eligibility list did not include graduate students.

Can you verify her standing as the top 1/5th of her class? If her class rank can not be determined, I can ask her to obtain a letter of recommendation from her primary academic advisor. (<https://www.tbp.org/cand/scholastic.cfm>)

Subject: Re: Kansas Gamma Current Member list and F15 Member pins follow up

Rebecca,

I have a few corrections to graduation dates of our current members:

Lucas Verschelden (Member ID: 561601) will graduate in December 2017.
Emily Garrison (Member ID: 554198) will graduate in December 2016.
Austin Curnutt (Member ID: 549998) will graduate in December 2017.
Samuel McConnell (Member ID: 561592) will graduate in December 2017.

Those changes will not affect the pin ordering, they were not initiated in Fall 2016. I would just like it corrected on their catalog cards. (Each of them will be graduating with a dual BS/MS in their respective majors on those dates, so their original graduation date is incorrect.)

Also, is there a way to get an alumni list? Another awesome button that I am missing on the online system?

Thank you!

It doesn't take Bill long to generate it. He can send you two lists, one that's got good addresses and one that has bad addresses. You can check with your alumni to get good contact information for some of them. All we ask is that you forward the information to us so that our records will be correct.

Thank you!

We are not quite sure what all we want to do with the alumni list yet.

One thing we are sure we'd like to do is mail the unclaimed pins to their owners. So the alumni names, years and addresses from 1990-2015 would be useful.

Aside from that, we have brainstormed sending alumni newsletters, or just thinking it would be cool to have a complete Alumni list in our files.

I'm not sure yet, and I also don't know what I am asking. How time intensive is it to generate an alumni list?

Importance: High

Isaac and Angelica aren't currently eligible. I'll have to have an email from your chief advisor stating that they had an approved reason for missing the Spring 2016 ceremony. At that time, I'll add them to the report of election. They will have to understand that if they're not initiated this term, they'll have to become eligible again and go through the complete election process before they can be initiated.

I need to know if you want me to order the other certificates at this time or wait and order Angelica's and Isaak's with the current set.

Subject: Re: KS G Report of Election submitted to HQ

Rebecca,

We just submitted our election report. In addition to the pins and certificates of the 33 new initiates we have 3 additional orders.

I would like to order a corrected certificate for **Harold Glennon Vilander**. He misspelled his middle name on his original catalog card and it was printed that way on his certificate. I believe we corrected it in the system earlier this semester. I want to include his new certificate in this shipment.

Both **Angelica White** and **Isaak Giefer** completed all of our requirements last semester but couldn't make our initiation night last semester. We will initiate them this semester. I need to order both a pin and certificate for each candidate.

Thank you Rebecca!

** These 35 electee(s) are approved for initiation on 11/29/2016.

NOTE: You may initiate postponed electees if and only if they are eligible for membership at the time of their initiation unless your Advisory Board approved and documented the postponements.

** We need Electronic Catalog Card(s) completed for the following electee(s):

Isaak Giefer and Angelica S White

Please send the link to Isaak and Angelica to fill out their cards. They MUST understand that if they're not initiated this term, they will have to become eligible again and go through the complete election process before they can be considered for membership. Let me know if you have questions. Rebecca

If you have questions or problems, please call Rebecca Davis or Roger Hawks at TBP headquarters.

Approved by: Curtis Dennis Gomulinski, Executive Director

Please be sure to account for all electees, including alumni and any from your postponed initiations list, on your report of final action! The report of final action should be sent immediately after your initiation, with a photocopy of your roll book signatures. Also, document any approved postponements.

TBP will never send an attachment in an unsolicited email. If this email contains an attachment, do not open the attachment, and delete the email.

Subject: KS G Final Action Acknowledgement

To: Caroline Kabus
President of Kansas Gamma Chapter
From: Tau Beta Pi Headquarters
Date: December 15, 2016
Subject: FINAL ACTION ACKNOWLEDGEMENT

The Report of Final Action and photocopy of the Roll Book signatures for your 11/29/2016 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

34 C-VIII, Sec. 2 Undergraduate
0 C-VIII, Sec. 3 Graduate Student
0 C-VIII, Sec. 4 Alumni This Chapter
0 C-VIII, Sec. 5 Alumni Other Chapter
0 C-VIII, Sec. 6 Eminent Engineer
34 TOTAL NUMBER OF NEW MEMBERS

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with national fees and Convention assessments for this total number of new members. The fees and assessments are due within ten days after initiation.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

NOTE: Keys will be sent to Dr. Dringenberg after the first of the year. Check them carefully upon receipt. Our vendor has a 30 day return policy. Let me know if you have questions. Rebecca

**THE TAU BETA PI ASSOCIATION
POSTPONED AND FINANCIAL REFUSAL ELECTEES**

Kansas Gamma

Fall 2016

The persons listed below were elected by your chapter during past initiation seasons as noted. They have refused membership for financial reasons (Constitution Article VIII, Section 10) or have simply missed attending a formal initiation. Unless their election is to be cancelled, at the option of your chapter, the following three options apply:

- A) Persons whose names appear on this list and who remain eligible for membership may be initiated at the next regular initiation without re-election. Such electees who graduate may be initiated without re-election within five years from the date of election.
- B) Persons listed who become academically ineligible **and** whose postponements have been **approved and documented** by the Advisory Board may be initiated at the next regular initiation.
- C) Persons listed who become ineligible and whose postponements the Advisory Board, has not approved, **must** become eligible again and be re-elected during a subsequent term in order to be initiated.

If it is inconvenient for them to return to your chapter for initiation, arrangements can be made through the National Headquarters for their initiation by chapters near their homes.

Please indicate the action to be taken on each electee listed: i.e., **to be initiated on** _____ **(date); election cancelled by the chapter; continue financial refusal or postponed status; etc.**

I need the paper eligibility form which can be found by going to www.tbp.org. Click for Officers. Click Reports. You'll find blue boxes on this page that say report and paper reports. One of the paper reports will be the form for graduate students, alumni, etc. Click, on the word form.

I'll need documentation from Dr. Sullivan's graduate advisor or the registrar that she graduated in the top 1/5 of her class.

Rebecca

Hi Rebecca,

The time has come for me to help blaze the trail! ☺ Scary, I know!

Emily's replacement, Dr. Bailey Sullivan has graciously agreed to become a chapter advisor. She is in the same boat I was, my UG gpa wasn't quite good enough, but her GRAD gpa is. Can you point me to the form we need to have her fill out to get her initiated this fall so she can become an advisor?

Looking forward to working with you,

Andy

Thank you for the info!

I also want to let you know that I will be relocating to Ohio State University over the summer. Our Assistant Dean here in Student Services, Andy Fund (copied), will be replacing me as TBP chief advisor. He was initiated at the same time I was—we had been planning to transition leadership back to him (he is the late Larry Satzler's replacement), so now with my leaving that change will be going through.

As you know, our student chapter is relatively inactive over the summer, but please be aware that Andy may be reaching out to you starting next Fall as KS-Gamma's new chief advisor.

Thanks for all your help during my time in this role—I have learned a lot! I know Ohio State has a very active chapter, so I hope to remain engaged with the organization.

Have a great summer,

-Emily

Lucase,

checking

I don't find her on the reports for 2006. We'll have to have documentation from KSU that she graduated in the top 1/5 of her class either as an undergraduate or with her Master's Degree.

Rebecca

On Mon, Oct 30, 2017 at 10:56 AM, Lucas Verschelden <lucasverschelden@yahoo.com> wrote:

Good Morning Rebecca,

We made a mistake here because Bailey is no longer a grad student and is working as a faculty member here. We are trying to initiate her this semester because she wants to become an advisor and we are in need of another one.

We are trying to come up with the class rank from when she was an undergraduate or graduate and attempt to file for her as an alumni. Do you think this is possible to be done in time for our initiation on Nov 9th? Additionally, is there any other steps we can take?

Thanks!

When officers are elected in the spring, you'll need to elect at least one more advisor. The Constitution & Bylaws states that each chapter should have 4 advisors. Since Dr. Dringenberg left, that leaves you with only 3.

Subject: FINAL ACTION ACKNOWLEDGEMENT

The Report of Final Action and photocopy of the Roll Book signatures for your 11/09/2017 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

58 C-VIII, Sec. 2 Undergraduate
0 C-VIII, Sec. 3 Graduate Student
0 C-VIII, Sec. 4 Alumni This Chapter
0 C-VIII, Sec. 5 Alumni Other Chapter
0 C-VIII, Sec. 6 Eminent Engineer
58 TOTAL NUMBER OF NEW MEMBERS

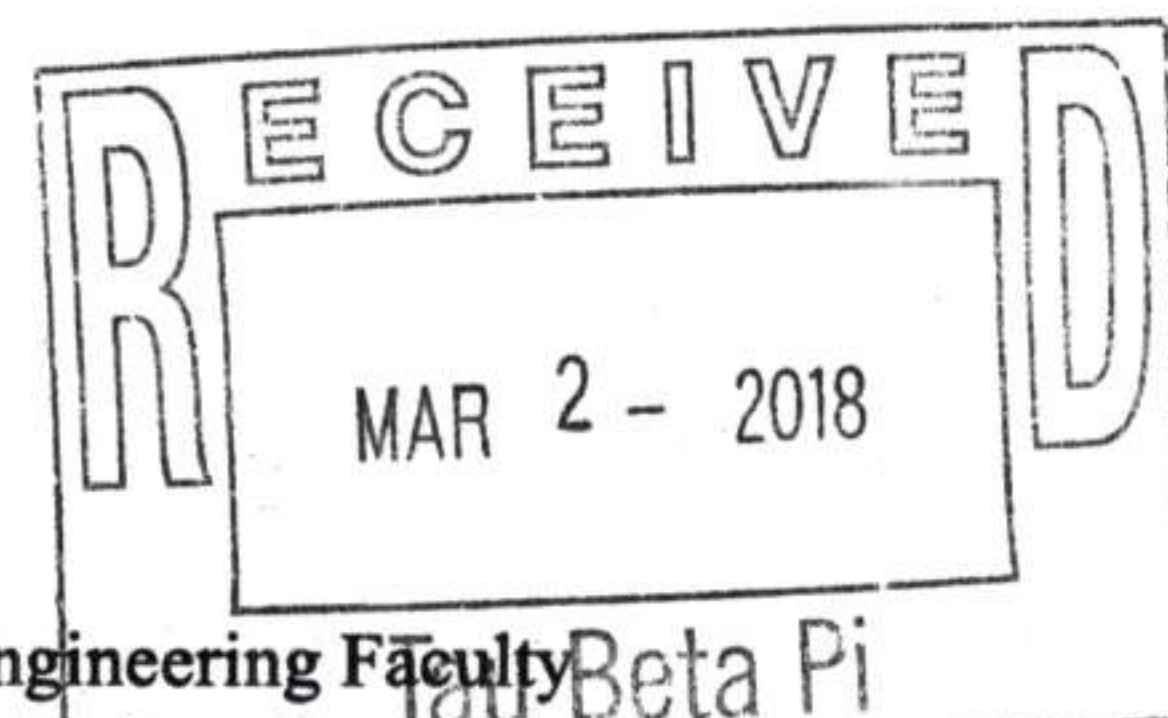

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with initiation fees for this total number of new members. The fees are due within two weeks after initiation. If you have already paid, thank you. You can view your initiation invoice in the [electronic reporting system](#) by clicking on *Chapter Info* then *Initiation Invoice*.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

Visiting Engineering Faculty
Kansas State University - Olathe
22201 West Innovation Drive, Suite 200K
Olathe, Kansas 66061

Tel: (785) 532-0889 Cell: (515) 491-2529
E-Mail: fitzsimmons@k-state.edu

EDUCATION

- Ph.D., 2011** *Iowa State University - Ames, IA*
Major: Civil Engineering, specialization in Transportation Engineering
Dissertation: "Development and Analysis of Vehicle Trajectories and Speed Profiles along Horizontal Curves," Committee Chairs: Shashi S. Nambisan and Reginald R. Souleyrette
- M.S., 2007** *Iowa State University - Ames, IA*
Major: Civil Engineering, Specialization in Transportation Engineering
Thesis: "The Effectiveness of Iowa's Automated Red Light Running Enforcement Programs"
Committee Chair: Shauna Hallmark
- B.S., 2005** *Iowa State University - Ames, IA*
Major: Civil Engineering

PROFESSIONAL EXPERIENCE

- | | | |
|------------------|---------------------------------------|--|
| ▪ 2015 - Present | Assistant Professor | Kansas State University
Department of Civil Engineering
Manhattan, KS |
| ▪ 2014 - 2015 | Visiting Assistant Professor | Kansas State University
Department of Civil Engineering
Manhattan, KS |
| ▪ 2011 - 2014 | Lecturer and Post-Doctoral Researcher | University of Kansas
CEAE Department, Lawrence, KS |
| ▪ 2011 - 2011 | Post-Doctoral Research Associate | Iowa State University
Institute for Transportation, Ames, IA |
| ▪ 2006 - 2011 | Graduate Research Assistant | Iowa State University
CCEE Department, Ames, IA |
| ▪ 2005 - 2006 | Undergraduate Research Assistant | Iowa State University
Institute for Transportation, Ames, IA |

INDUSTRIAL EXPERIENCE

- Nolte Associates, Assistant Engineer (Co-op), Colorado Springs, CO, May 2005 – August 2005
- Wilson & Company Inc., Civil Engineer Intern (Co-op), Colorado Springs, CO, May 2003 – August 2004

PROFESSIONAL REGISTRATION

- Professional Engineer (P.E.): State of Kansas #25649

AWARDS AND HONORS

- **2016 Certificate of Appreciation**, Presented by the TRB standing committee on Traffic Law Enforcement, January 2017.
- **2016 Best Paper Award**, Presented by the TRB standing committee on Work Zone Traffic Control, January 2017.
- **2016 Research Proposal Teamwork Award**, Kansas State University College of Engineering (approx. \$100), 2016.
- **2016 ASCE ExCEED Fellowship**, American Society of Civil Engineers, Florida Gulf Coast University (approx. \$1,905)
- **Fellowships and Scholarships**
 - FHWA Dwight D. Eisenhower Graduate Transportation Fellowship, 2008 and 2009 (approx. \$13,000)
 - University Transportation Centers, Midwest Transportation Consortium Student of the Year, 2007
 - Midwest Transportation Consortium Scholar, 2006 – 2011
- **Graduate / Undergraduate Awards**
 - Preparing Future Faculty Associate, Iowa State University, 2009 – 2011
 - Chi Epsilon Civil Engineering Honor Society, 2007– Present
- **Papers and Posters**
 - Runner-up Student Poster Competition, 8th National Conference on Access Management, Baltimore, MD, September 2008.
 - Student Paper Award, Midwest Transportation Consortium Fall Scholars Conference, Ames, IA, September 2007.

RESEARCH INTERESTS

- Highway safety and operations, vehicle data collection and reduction strategies, work zone safety, micro-simulation, traffic law enforcement applications, highway geometrics and operations, access management, signalized intersection safety, big-data applications / smart and connected communities and infrastructure, ITS, traffic law enforcement, railroads, and engineering education

SCHOLARSHIP

* Denotes Graduate or Undergraduate Student

Patents and Innovations (1)

- Cai, H., S.D. Schrock, and **E.J. Fitzsimmons**. Heated Lens Lighting Arrangement. U.S. Patent 9,851,086 filed August 29, 2014, and issued December 26, 2017.
<https://patentscope.wipo.int/search/en/detail.jsf?docId=WO2015031810>

* Denotes Graduate or Undergraduate Student

Principal Investigator (\$863,409)

- “Traffic Assistance Services for Kansas (TASK).” Kansas Department of Transportation / National Highway Traffic Safety Administration, \$300,000, Duration: 36 months (1/1/2018 – 12/31/2020). P.I. **Eric Fitzsimmons – In progress**
- “2018 Dwight D. Eisenhower Fellowship for Blake Moris*.” Federal Highway Administration, U.S. Department of Transportation, \$31,900, Duration: 12 months (1/1/2018 – 12/31/2018). PI: **Eric Fitzsimmons – In progress**
- “Understanding Overweight / Oversize Freight Flow and Safety in Kansas Using KTRIPS”. \$63,932, Kansas Department of Transportation, Duration: 15 months (9/1/2017 – 12/31/2018). PI: **Eric Fitzsimmons**, Co-PI: Sunanda Dissanayake- **In Progress**
- “Developing Vehicle Speed Profiles for Typical Kansas Work Zones with Unseen Hazards or Sudden Changes in Horizontal Alignment after Advance Warning”. \$68,464, Kansas Department of Transportation, Duration: 15 months (1/1/2018 – 12/31/2018). PI: **Eric Fitzsimmons – In Progress**
- “Developing a Transportation Safety Plan for Johnson County, KS”. Shafer, Kline, Warren, Inc., Duration: 3 months (3/15/2016 – 5/15/2016), \$800, PI: **Eric Fitzsimmons – Completed**
- “Continued Updating the Lane Closure Guide for Urban Freeways in the Kansas City Metropolitan Area,” \$58,161, Kansas Department of Transportation, Duration: 15 months (12/1/2016 – 4/15/2018). PI: **Eric Fitzsimmons**, Co-PI: Sunanda Dissanayake – **In Progress**
- “Updating the Lane Closure Guide for Urban Freeways in the Kansas City Metropolitan Area,” \$60,161, Kansas Department of Transportation, Duration: 15 months (12/1/2015 – 8/31/2017). PI: **Eric Fitzsimmons**, Co-PI: Sunanda Dissanayake – **Completed**
- “Class III / Short line System Inventory to Determine 129,844 kg (286,000 lbs.) Railcar Operational Status in Kansas,” \$50,000, Kansas Department of Transportation, Duration: 15 months (10/1/2015 – 12/31/2016). PI: **Eric Fitzsimmons**, Co-PI: Stacey Tucker-Kulesza– **Completed**
- “Demonstration of the United States Road Assessment Program (usRAP) in Kansas,” \$50,000 by the Kansas Department of Transportation. Project Duration: 12 months (2/1/2015 – 6/30/2017). PI: **Eric J. Fitzsimmons**; Co-PI: Sunanda Dissanayake – **Completed**
- “Developing a Decision Matrix to Improve Rural Road Safety by Investigating Roadside Countermeasure Potential Costs and Benefits,” \$60,000 by the Kansas Department of Transportation. Project Duration: 12 months (11/1/2014 – 10/31/2015). PI: **Eric J. Fitzsimmons (\$1,000)**; Co-PI: Steven D. Schrock – **Completed**
- “Evaluation of Temporary Traffic Signals in Conjunction with Pilot Car Operations and Temporary Work Zones in Kansas,” \$59,991 by the Kansas Department of Transportation. Duration: 12 months (10/1/13-10/31/2015). PI: **Eric J. Fitzsimmons**; Co-PI: Steven D. Schrock – **Completed**
- “Improving the Traffic Safety Culture in Kansas,” \$60,000 by the Kansas Department of Transportation. Duration: 12 months (8/15/2014-8/14/2015). PI: **Eric Fitzsimmons (\$2,000)**; Co-PI: Steven Schrock– **Completed**

Co-Principal Investigator (\$1,753,292)

- “Research Initiation: Investigating the Social Responsibility on Veteran Student Retention.” \$199,907, National Science Foundation (NSF), Professional Formation of Engineering (PFE): Research Initiation in Engineering Formation (RIEF). Duration: 24 months (9/1/2017 – 8/31/2019), PI: Stacey Kulesza; Co-PI: **Eric Fitzsimmons**, Jia (Grace) Liang, Jeffery Zacharakis – **In progress**
- “Self De-Icing Signals,” \$240,000 by the Federal Highway Administration (FHWA) Transportation Pooled Fund Program (TPF). Duration: 36 months (8/15/2016 – 8/14/2019), PI: Hongyi Cai, Co-PI: Steven Schrock and **Eric Fitzsimmons (\$3,573)** – **In progress**
- “Self De-Icing Signals for Railroad Operation and Safety,” \$135,000 (\$35,000 cost share) by the Transportation Research Board IDEA Program (Rail and NCHRP Highway committees). Duration: 29 months (11/24/2015 – 11/24/2018). PI: Hongyi Cai; Co-PI: **Eric Fitzsimmons (\$3,640)** and Steven Schrock. – **In progress**
- “NCHRP 03-111: Effectiveness of Work Zone Transportation Management Plan (TMP) Strategies,” \$750,000 by the National Cooperative Highway Research Program. Duration: 30 months (9/8/2014 - present). PI: Levenson Boodlal (KLS Engineering), **Eric Fitzsimmons (K-State \$24,939)**, Steven Schrock (KU) – **In progress / Delayed**
- “Development of a Working Prototype for a New LED Traffic Signal Lighting System,” \$35,000 by the University of Kansas Transportation Research Institute. Duration: 6 months (12/22/2013 – 6/21/2014). PI: Hongyi Cai; Co-PI: **Eric Fitzsimmons (\$3,640)** and Steven Schrock - **Completed**
- “Evaluation of the Intersection Confirmation Light System to Reduce Red Light Running Violations at Interstate Ramp Intersections,” \$60,000 by the Mid-America Transportation Center. Duration: 12 months (7/1/2013-6/30/2015). PI: Steven D. Schrock; Co-PI: **Eric Fitzsimmons - Completed**
- “Evaluation of an Electronic Safety Perimeter System for Kansas Temporary Work Zones,” Funded for \$60,000 by the Mid-America Transportation Center. Duration: 12 months (7/1/2013-6/30/2015). PI: Thomas Mulinazzi; Co-PI: **Eric Fitzsimmons** and Steven Schrock – **Completed**
- “Development of Guidelines for the Use of Temporary Rumble Strips in Work Zones,” Funded for \$60,000 by the Kansas Department of Transportation. Duration: 12 months (11/1/2013-10/31/2015). PI: Steven Schrock; Co-PI: **Eric Fitzsimmons – Completed**
- “Evaluation of the Confirmation Light System at Signalized Intersections in Medium to Large Communities to Reduce Red Light Running Violations,” Funded for \$70,000 by the Iowa Highway Research Board. Duration: 12 months (5/15/2013-2/28/2015). PI: Steven Schrock; Co-PI: **Eric Fitzsimmons – Completed**
- “Economic Impact of Closing Off-System Bridges,” Funded for \$20,001 by the Kansas Department of Transportation. Duration: 4 months (9/1/2013-3/31/2014). PI: Thomas Mulinazzi; Co-PI: **Eric Fitzsimmons** and Steven Schrock – **Completed**
- “Evaluation of Low-Cost Intersection Countermeasures to Reduce Red Light Running Crashes on State Highways in Kansas,” Funded for \$60,000 by the Kansas Department of Transportation. Duration: 12 months (9/1/2012-3/31/2014). PI: Steven Schrock; Co-PI: **Eric Fitzsimmons – Completed**

- Evaluation of Low-Cost Intersections Countermeasures to Reduce Red Light Running Violations,” Funded for \$63,384 by the Mid-America Transportation Center. Project Duration: 12 months (6/1/2012-12/31/2013). PI: Steven Schrock; Co-PI: **Eric Fitzsimmons – Completed**

Proposals Under Review (\$847,729)

- **Fitzsimmons, E.J., S. Dissanayake.** NCHRP 03-132: Guidance for Safe and Effective Temporary Traffic Control for Mobile Operations on Two-Lane Two-Way Roadways. Submitted to the Transportation Research Board, Washington, D.C., \$300,000 – January 2018. Subcontractor: Burns & McDonnell
- **Fitzsimmons, E.J.** Evaluation of Interstate Rural Off-Ramp Gore Areas: Safety and Low-Cost Enhancements. Submitted to the Kansas Department of Transportation, \$69,284, November 2017.
- **Fitzsimmons, E.J.** Investigation of Vehicle Lateral Position and Off-Tracking through Kansas Interstate Work Zones and Lane Shifts. Submitted to the Kansas Department of Transportation, \$67,784, November 2017.
- **Fitzsimmons, E.J. and W. Hsu.** Development of a Graphical User Interface (GUI) to Explore, download, Visualize, and Apply Statistical Methods to Kansas City and KDOT Data. Submitted to the Kansas Department of Transportation, \$72,703, November 2017.
- **Fitzsimmons, E.J. and S.E. Kulesza.** Quantifying the Benefits and Costs of Kansas Class III Railroad Proposed Improvement Projects. Submitted to the Kansas Department of Transportation, \$62,631, November 2017.
- **Fitzsimmons, E.J. and S.E. Kulesza.** Understanding the Potential Impact of Oversized Trucks on Interstates and Kansas City Metropolitan Highways. Submitted to the Kansas Department of Transportation, \$69,555, November 2017.
- **Fitzsimmons, E.J. and S. Dissanayake.** Guardrail Evaluation for Embankment and Culverts for Kansas Low-Volume Rural Roads. Submitted to the Kansas Department of Transportation, \$69,456, November 2017.
- **Fitzsimmons, E.J.** Safety Analysis of Pole-Mounted Lighting at Kansas Isolated Rural Intersections. Submitted to the Kansas Department of Transportation, \$65,353, November 2017.
- **Fitzsimmons, E.J. and C. Carraway.** Exploratory Analysis of the Use of Unmanned Aircraft Systems (UAS) as a Way to Develop and Inventory Database of Low-Volume Road and Temporary Traffic Control Signage/Devices in Work Zones. Submitted to the Kansas Department of Transportation, \$70,963, November 2017.

Self-Funded Exploratory Scholarship Using University Start-Up Funds (4)

- **Fitzsimmons, E.J. and S.E. Tucker-Kulesza and 1 graduate student.** Investing the use of Ground Penetrating Radar to Detect Fouled Rail Ballast. Research partner: Burlington Northern Santa Fe (BNSF) Railway – **In Progress**
- **Fitzsimmons, E.J., H.W. Hsu, G. Newmark and 3 graduate students and 6 undergraduate students.** Exploring the Use of Traffic Operation Center Data (Big Data) and Mesonet Weather Data to Predict Crashes in the Kansas City Metropolitan Area In Real Time. Research Partners: KC Scout, Department of Computing and Information Sciences (K-State) – **In Progress**

- **Fitzsimmons, E.J. and 1 graduate student and 1 hourly undergraduate student.** Evaluation of Wrong-Way Driving Crashes and Countermeasures in Kansas. Research Partner: Kansas Department of Transportation. – **In-Progress**
- **Fitzsimmons, E.J. and 1 undergraduate student.** Evaluation of the Effectiveness Automatic License Plate Readers. Research Partner: Cities of Lenexa, KS and Overland Park, KS. – **In Progress**

Specialized Research Consulting (\$2,880)

- Kansas State University Athletics: Parking Lot Study to Determine Operational Improvements of Moving People and Cars Safety Before and After Football and Basketball Games. Fall 2015, Manhattan, Kansas. Client: Jim Muller. Role: Engineer, Rate: \$760.00
- University of Kentucky: Assisted with vehicle operational data including vehicle lateral position for at-grade railroad crossings. June 20-22, 2013, Lexington, Kentucky. Client: Reginald R. Souleyrette and Teng “Alex” Wang. Role: Advisor, Rate: \$2,000
- City of Overland Park: Evaluation of wrong-way drivers in Corporate Woods commercial development. Field data collection and reduction of pneumatic road tube data. July 15-18, 2013, Overland Park, Kansas. Client: Brian Shields. Role: Advisor, Rate: \$0
- University of Kansas: Turning movement counts for 15th Street / Engel Road and Irving Hill Road / Engel Road. Field data collection and reduction of count board data. September 24-26, 2013, Lawrence, Kansas. Client: Dennis Krupper (KU DCM). Role: Project Manager, Rate: \$440 (3 undergraduate hourly)
- University of Kansas: Turning movement, pedestrian, and bicyclist counts for 15th Street / Naismith and Crescent / Naismith. December 2-6, 9-13, Lawrence, Kansas. Client: Paul Graves (KU DCM). Role: Project Manager, Rate: \$440 (1 graduate hourly)

SPECIALIZED TRAINING FOR TEACHING AND RESEARCH

- **ASCE ExCEED 2016: Florida Gulf Coast University**
A six-day practicum that provides engineering educators with an opportunity to improve teaching abilities based on the ExCEED teaching model. The workshop included seminars, instructional teaching demonstrations, and multiple opportunities to adapt current lectures to the ExCEED teaching model.
- **REES 2014 & 2016, P-REES / APTA 2017: AREMA Railway Engineering Education Symposium**
This educational symposium is designed to train professors on how to teach railroad engineering to both undergraduate and graduate students, engage Class I railroads for research, develop skills and tools for university collaborations, and start an AREMA student chapter. Approximately 60 professors are selected to attend every event.
- **Preparing Future Faculty, Iowa State University (2009 - 2011)**
Explored faculty roles, responsibilities, and development opportunities at different types of higher education institutions and began working on the transition from graduate student to assistant professor. Explored techniques on how to effectively mentor and teach students in the classroom and research laboratory setting. Explored how new technology can enhance the learning experience and create a positive atmosphere for learning. Was taught how to lecture, write exams, and create a proper class syllabus.
- **Introduction to R, Iowa State University Department of Statistics (Fall 2010)**
A series of workshops to explore the statistical software package R. Workshops included instruction on how to prepare data, develop code, interrupt outputs, and check for programming errors.
- **Traffic Signal Workshop, Northwestern University Center for Public Safety (Spring 2008)**
Participated in a series of workshops focused on investigating how to design and operate components of a signalized intersection. Courses included information on how to program signal controllers, install vehicle detectors, basic design plan layout, and wiring diagrams for a traffic signal cabinet.
- **Introduction to VISSIM 4.30 (Fall 2008)**
Extensive training of the industry-standard micro-simulation program VISSIM and key components to successfully code, calibrate, run, and analyze complex traffic network simulations.

Dear Rebecca

I refer to your E-mails of 26 and 27 February concerning the possible candidature of Dr. Eric Fitzsimmons for Tau Beta Pi membership. The Iowa Alpha Advisory Board Members have been consulted concerning Kansas Gamma's desire to initiate Dr. Eric Fitzsimmons as a Tau Beta Pi member. We have been unable to determine if Dr. Fitzsimmons was eligible for Tau Beta Pi membership as a graduate student. However, his Major Professor at the time of his graduation, Dr. Reginald Souleyrette, has indicated that he believed "Dr. Fitzsimmons did Tau Beta PI quality work on his dissertation". Therefore, in accordance with the Tau Beta Pi Constitution, Iowa Alpha has no objection to the proposed eligibility and waive our right to consider the candidate as a member of Iowa Alpha.

Thanks and best regards

LeVern

On Feb 26, 2018, at 10:49 AM, Rebecca Davis <rebecca@tbp.org> wrote:

LeVern,

We received a resume for Eric Fitzsimmons who got all of his degrees from Iowa State. Kansas Gamma wants to initiate him. However, he wasn't eligible at ISU as an undergraduate. Would it be possible for you to check and see if he graduated in the top 1/5 of his class in either 2007 with his Master's degree or 2011 with his PhD?

He was a Civil Engineering Major.

His committee chair for his MS was Shauna Hall makr.

The committee chairs for his PhD were Shashi Manbisan and Reginald Souleyrette.

All we would need is an email/letter from one of the 3 stating that he did work of Tau Beta Pi quality when he was working on his degree.

Thank you,

Rebecca

Dear Rebecca,

I believe Dr. Fitzsimmons did Tau Beta PI quality work on his dissertation as evidenced by his publication of several papers. Please consider this for his initiation onto the Kansas chapter.

Sincerely,

Reg Souleyrette

Although Reg Soulyrette stated that he did do work at that level, in my experience he was one of the lower performing students that I have had. I served as his master's major professor and as his PhD professor for several years before he switched to another professor. The situation under which he switched to Dr. Soulyrette was due to performance and other issues. Although he is hard working and I certainly wish him well, I could not recommend him for your organization.

Subject: Fwd: ISU Alumni - Eric Fitzsimmons qualification for Tau Beta Pi membership

Dear Reginald and Shauna

Please find below an E-mail I received from Rebecca Davis at Tau Beta Pi Headquarters. The Tau Beta Pi Chapter at Kansas State University would like to initiate Eric Fitzsimmons as a member of Tau Beta Pi. If you considered Eric's performance as a graduate student to have been at a level that he would have been eligible for Tau Beta Pi membership while at Iowa State University, I would appreciate that you E-mail Rebecca that he did work of Tau Beta Pi quality when he was working on his degree.

Thanks and best regards

LeVern

To: LeVern Faidley <levern@faidley.org>

LeVern,

We received a resume for Eric Fitzsimmons who got all of his degrees from Iowa State. Kansas Gamma wants to initiate him. However, he wasn't eligible at ISU as an undergraduate. Would it be possible for you to check and see if he graduated in the top 1/5 of his class in either 2007 with his Master's degree or 2011 with his PhD?

He was a Civil Engineering Major.

His committee chair for his MS was Shauna Hallmark.

The committee chairs for his PhD were Shashi Manbisan and Reginald Souleyrette.

All we would need is an email/letter from one of the 3 stating that he did work of Tau Beta Pi quality when he was working on his degree.

Thank you,

Rebecca

Subject: Request of membership letter
To: tbp@tbp.org

Dear Sir / Madam,

My name is Himadri Mukhopadhyay and I am a member of Tau Beta Pi. I was nominated to Tau Beta Pi in 2008 as a student of engineering at Bucknell University. I am currently pursuing research in cellular and biological engineering, and I would be very grateful for your help with the following.

I am in the process of preparing a United States O-1 visa application. In order to qualify for this visa, an individual must "have extraordinary ability in the sciences, arts, education, business or athletics which has been demonstrated by sustained national or international acclaim". I intend to cite Tau Beta Pi membership as one of my internationally acclaimed achievements, and I aim to use this as part of my application.

Please could you forward me an official letter from Tau Beta Pi that affirms my membership in the honor society? It would be very helpful if the letter could briefly describe the prestige of Tau Beta Pi, and emphasize the magnitude of the achievement that Tau Beta Pi membership symbolizes in the engineering sciences.

I would be very grateful for your help with this. Please do let me know if I can provide anything in the meantime.

Kind regards

Himadri

Rebecca Davis <rebecca@tbp.org>

Tue, Mar 13, 2018 at 4:38 PM

To: Andrew D Fund <andyfund@ksu.edu>

If his primary advisor states that he was in the top 1/5 of his class and he/she recommends Joshua for membership, that will be fine. However, I will need to know if it's for his Master's Degree or PhD. If he was in the top 1/5 of his Master's class, that advisor is the one who should send the email/letter.

Rebecca

On Tue, Mar 13, 2018 at 4:22 PM, Andrew D Fund <andyfund@ksu.edu> wrote:

Does a 3.93/4.00 work for his MS/PHD degrees? He certainly in the top 20% if the folks with 4.0's are counted as one and repeated. If not, will a similar statement from one of his advisors work that would be similar to Dr. Fitzsimmons recommendation?

Thanks,

Andy

Subject: Re: Eric Fitzsimmons and Joshua Weese

I remembers seeing that email from Dr. Faidley. but I'm not sure where it is. Yes, that will work for Dr. Fitzsimmons. I apologize.

Computer Technology isn't an approved major for your chapter. I checked the 2011 reports and Joshua Weese wasn't eligible as an undergraduate. If his primary advisor for either of his other 2 degree can confirm that he graduated in the top 1/5 of his class, he can be considered for membership.

Rebecca

Subject: Eric Fitzsimmons and Joshua Weese

Dr. Fitzsimmons wasn't eligible as an undergraduate at Iowa State. I've contacted the chief advisor at that chapter to see if he can check to see if he was in the top 1/5 of his class when he received Master's or PhD degrees. If he wasn't, Dr. Fitzsimmons can't be considered for membership at this time because he hasn't been working in the field of engineering long enough.

The report states that Joshua Weese graduated in the top 1/5 of his class at KState. Was that for his Master's Degree or his PhD? He can't be considered without that information.

Thanks,

Rebecca

Subject: Iowa Alpha Letter of Release for Kansas Alpha to initiate Dr. Eric Fitzsimmons as a Tau Beta Pi member

Dear Rebecca

I refer to your E-mails of 26 and 27 February concerning the possible candidature of Dr. Eric Fitzsimmons for Tau Beta Pi membership. The Iowa Alpha Advisory Board Members have been consulted concerning Kansas Gamma's desire to initiate Dr. Eric Fitzsimmons as a Tau Beta Pi member. We have been unable to determine if Dr. Fitzsimmons was eligible for Tau Beta Pi membership as a graduate student. However, his Major Professor at the time of his graduation, Dr. Reginald Souleyrette, has indicated that he believed "Dr. Fitzsimmons did Tau Beta Pi quality work on his dissertation". Therefore, in accordance with the Tau Beta Pi Constitution, Iowa Alpha has no objection to the proposed eligibility and waive our right to consider the candidate as a member of Iowa Alpha.

Thanks and best regards

To: Rebecca Davis <rebecca@tbp.org>, Andrew D Fund <andyfund@ksu.edu>

Andy,

I wasn't aware of his cancellation so that's why it's charged on the chapter account. We were charged for his room by the hotel.

In the future....the chapter will NOT be charged for NOT sending someone. We always encourage the chapters to send their voting delegate and we cover those charges. It's only when the chapter sends a non-voting delegate that we do not cover the charges.

Hope this helps. Let me know if you have any more questions and I will try to help.

Amy

I'm guessing that he didn't let us know he wasn't going to attend, but I can't say that for sure. If he can remember who he talked to at HQ, that would be helpful.

Amy and Mike are copied on this. One of them will respond.

Rebecca

On Tue, Dec 4, 2018 at 9:05 AM Andrew D Fund <andyfund@ksu.edu> wrote:

Hi Rebecca,

The below was news to me yesterday when we got an invoice from TBP for Zach's trip cost. I have a feeling the students signed up and then backed out at the end, leaving TBP nationals on the hook for associated costs with attendance. I just wanted to make sure in the future we don't get charged if we don't send a delegate i.e. it's not a penalty from TBP for not sending someone.

So I'm guessing we missed the deadline to cancel and thus we were charged. I am grateful of you reimbursing Brie's costs but I wanted to get the full picture from you so I'm aware in the future. It's been somewhat of a difficult semester with our leadership...and me being new to this does not help either.

Thank you,
Andy

Subject: Re: KS Gamma Chapter Account Statement

Hi Dean Fund,

Thanks for bringing this to my attention!

Brie, Wyatt, and I had many conversations about this a few months back, and we were troubled by the fact that none of us or the other officers could end up making it to the convention this semester. In the end after speaking with TBP HQ, we decided to accept the costs of the president's attendance, though thankfully we were reimbursed for the price of Brie's original expenses!

Thanks again,

Zach

Subject: FW: KS Gamma Chapter Account Statement

Hi Zach,

I was not aware that you did not go with Brie or Wyatt to the convention, but it looks as though you had signed up for it in which the Chapter was charged for. This is very disappointing. I ask that you would please pay this amount back to the chapter so as to not hurt the already fragile financial position the chapter is in.

Thank you,

Dean Fund

Subject: FINAL ACTION ACKNOWLEDGEMENT

The Report of Final Action and photocopy of the Roll Book signatures for your 11/13/2018 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

33 C-II, Sec. 2 Undergraduate
0 C-II, Sec. 3 Graduate Student
0 C-II, Sec. 4a Alumni This Chapter
0 C-II, Sec. 4b Alumni Other Chapter
0 C-II, Sec. 5 Eminent Engineer
33 TOTAL NUMBER OF NEW MEMBERS

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with initiation fees for this total number of new members. The fees are due within two weeks after initiation. If you have already paid, thank you. You can view your initiation invoice in the [electronic reporting system](#) by clicking on *Chapter Info* then *Initiation Invoice*.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

KS Gamma Officers:

According to our records, the term for your slate of officers ended in December. Have new officers been elected or do I need to extend your term?

When the Officer Election report is filled out, please make sure that the information on your advisors is correct. Advisor terms should be staggered and last for no more than for terms -- 2019, 2020, 2021, and 2022.

Thanks in advance for your prompt response.

Let me know if you have questions.

**THE TAU BETA PI ASSOCIATION
POSTPONED AND FINANCIAL REFUSAL ELECTEES**

Kansas Gamma

Fall 2019

The persons listed below were elected by your chapter during past initiation seasons as noted. They have refused membership for financial reasons (Constitution Article VIII, Section 10) or have simply missed attending a formal initiation. Unless their election is to be cancelled, at the option of your chapter, the following three options apply:

- A) Persons whose names appear on this list and who remain eligible for membership may be initiated at the next regular initiation without re-election. Such electees who graduate may be initiated without re-election within five years from the date of election.
- B) Persons listed who become academically ineligible **and** whose postponements have been **approved and documented** by the Advisory Board may be initiated at the next regular initiation.
- C) Persons listed who become ineligible and whose postponements the Advisory Board, has not approved, **must** become eligible again and be re-elected during a subsequent term in order to be initiated.

If it is inconvenient for them to return to your chapter for initiation, arrangements can be made through the National Headquarters for their initiation by chapters near their homes.

Please indicate the action to be taken on each electee listed: i.e., **to be initiated on** _____ (date); **election cancelled by the chapter; continue financial refusal or postponed status; etc.**

Comments

Your eligibility report is approved. Be sure to submit the election report and get approval before your initiation. Thank you.

- IMPORTANT NOTETHIS IS *****NOT***** APPROVAL TO HOLD YOUR INITIATION!
YOU MUST SUBMIT YOUR REPORT OF ELECTION FIRST**- IMPORTANT NOTE****(All elections under Sections 3, 4a, 4b, & 5 shall comply with the applicable provisions of Sec. 7.)*

This letter is a judgment of the technical eligibility of these candidates for election to membership. Approval of their initiation will be given as soon as your Report of Election and Catalog Cards have been received.

Please be sure to enter, on the Report of Election, the proper action taken by your chapter on every eligible candidate, in accord with instructions on the report.

If you requested electees' materials, including Constitution and Bylaws booklets, etc., and/or Bent castings on the Report of Eligibility, they will be shipped shortly. If you will need motto slips for your initiates, please let me know when you send your Report of Election; you probably have a supply in your initiation kit.

Approved by: Curtis Dennis Gomulinski, Executive Director

To: Jazz Vincent Loffredo <jloffredo@ksu.edu>, Jose Carlos Avila <javil@ksu.edu>, Jacob Otto Hutchins <jakeohutchins@k-state.edu>, Madison Josephine Partridge <mapartr@ksu.edu>, Andy Fund <andyfund@ksu.edu>
Cc: Tau Beta Pi HQ <rptsubmit@tbp.org>

To: Jazz Loffredo

President of Kansas Gamma Chapter

From: Tau Beta Pi Headquarters

Date: November 21, 2020

Subject: FINAL ACTION ACKNOWLEDGEMENT

The Report of Final Action and photocopy of the Roll Book signatures for your 11/05/2020 initiation has been received. Thank you!

According to your report, your chapter initiated the following:

23 C-II, Sec. 2 Undergraduate
1 C-II, Sec. 3 Graduate Student
0 C-II, Sec. 4a Alumni This Chapter
0 C-II, Sec. 4b Alumni Other Chapter
0 C-II, Sec. 5 Eminent Engineer
24 TOTAL NUMBER OF NEW MEMBERS

If your chapter records do not agree with these figures, please notify me at once. Your chapter account is being charged with initiation fees for this total number of new members. The fees are due within two weeks after initiation. If you have already paid, thank you. You can view your initiation invoice in the electronic reporting system by clicking on *Chapter Info* then *Initiation Invoice*.

Materials needed from you to complete our records are noted below and must be sent immediately. If nothing is noted, then our record of the initiation is complete, thank you.

NOTE: Your final action has been processed and approved. Thank you.

Benjamin Cary Vail	2	Catalog card has not been completed
Brianna Wagoner	2	Catalog card has not been completed
Ethan Jack Wheeler	2	Catalog card has not been completed
Siyi Xiao	2	Catalog card has not been completed

**** These 31 electee(s) are approved for initiation on 04/22/2021.**

NOTE: You may initiate postponed electees if and only if they are eligible for membership at the time of their initiation unless your Advisory Board approved and documented the postponements.

**** We need Electronic Catalog Card(s) completed for the following electee(s):**

Mabel Anstine, Southatta Chanvannasee, Katie Dreiling, Adam Christopher Duvendack, Mason Matthew Ericson, Josi Ann Frigon, Layke Annalise Graybill, Jadyn Katherine Greisen, Emil Wayne Hulsey, Keely Marie Hutchinson, Maxwell Raymond Immenschuh, Levi Kain Johnson, Cameron Robert Korte, Joseph Anthony Malecki, Corben Christopher Monzon, Riley Scott Mueller, Amelia Anne Mullin, Austin Paul Novelly, Aaron Lee Peterson, Benjamin David Proffitt, Ashley Nicole Rediger, Summer Anne Savoy, Jakob Patrick Smith, Zachary Werner Steiger, Brayden Todd Sundberg, Dane Robert Thompson, Benjamin Cary Vail, Brianna Wagoner, Ethan Jack Wheeler and Siyi Xiao

Your election report and initiation has been approved. Remind your initiates to fill out the catalog cards. Keys are taking 2-3 months to get back so make sure they fill out the cards so we can order them immediately after your initiation. Also, be sure to submit the final action and upload rollbook signatures within two weeks after your initiation. Thank you.

If you have questions or problems, please contact our Chapters Team at chapters@tbp.org.

Approved by: Curtis Dennis Gomulinski, Executive Director

Please be sure to account for all electees, including alumni and any from your postponed initiations list, on your report of final action! The report of final action should be sent immediately after your initiation, with a photocopy of your roll book signatures. Also, document any approved postponements.
